Esse Cup 2007, Rules for final ranking

1. **Points per event**
   - Points per event for a participant are based on the number of *startingparticipants* in an Esse 850. Participants having registered for a regatta but not having started any race do not count.

2. **The following system will be used to calculate points:**
   - Place points example, event with 15 participants
   - Event Winner number of participants 15
   - 2 number of participants - 1 14
   - 3 number of participants - 2 13
   - 4 number of participants - 3 12
   - 5 number of participants - 4 11
   - Etc

3. **Points will be awarded to boats, not to skippers**

4. **Final ranking**
   - A boat's best 4 events count.

5. **Ties**

In the event one or more boats are tied for points, the following system will be used to break the tie:

- highest single points awarded in an event
- highest place in that event
- the boat with the higher total number of events
- drawing lots
